2023-Fall Recruitment of a PhD, MS-PhD Integrated, or MS student at NCLab, CBNU (Chungbuk National University, Republic of Korea)

Network Computing Laboratory (NCLab) at CBNU is recruiting highly motivated PhD, MS-PhD Integrated, and MS students.

Requirements:

- A strong academic and research background in computer science, information technology, or a closely related discipline.
- Keen research interests in one or more of the following areas: Edge Computing, Container Orchestration and Kubernetes, Machine Learning, Federated Learning, and Edge AI
- Good Python and Java programming abilities, as well as a firm grasp of Linux systems.
- Experience in using tools like Git, GitHub, and open-source projects related to the research interests.
- Must be able to independently and collaboratively propose, demonstrate, and evaluate new ideas.

Schedule:

- Deadline of application submission: 21 April, 2023
- Evaluation and interview, if needed: 22 April – 4 May, 2023
- Notification of acceptance: 5 May, 2023
- Official admission process: 15 – 26 May, 2023
* The applicants can see the detail guideline and the required application materials at https://cia.chungbuk.ac.kr/board/notice/view/wr_id/138/key/180.

How to apply:

If you are interested in our lab, please send your resume, transcripts, and a short research statement (about 300 to 500 words in total) to Prof. Taehong Kim (taehongkim@cbnu.ac.kr).
For more details, you can visit our homepage at http://nclab.cbnu.ac.kr

3 April, 2023
Taehong Kim
Director, NCLab CBNU
